CASA Minnesota

(Court Appointed Special Advocates)

CASA Minnesota is a local nonprofit organization whose mission is to support and promote volunteer advocates to ensure that every abused and neglected child in Minnesota has a safe, stable and permanent family. Our advocates are everyday citizens who become extraordinary volunteers. Judges appoint volunteer advocates to speak for the safety and well-being of a child in the court system. CASA Minnesota volunteers stand up for these children and help change their lives.

To learn more about our organization and the wonderful work that CASA Minnesota volunteer advocates provide for abused and neglected children, please call us at 612.728.5930 or visit us at www.casamn.org.
